

# **100 YEARS OF SERVICE**

**Honoring the combined years of service at the Chapel of the  
Cross of  
Wylie S. Quinn, Stephen Elkins-Williams, Tambria Lee, and  
Victoria Jamieson-Drake  
May 2, 2010**

(Sung to "O God Our Help in Ages Past")

You've been our staff for decades past, we hope for years to come.  
We pray to God your health will last – see where we're coming from!

You are a team that works as one, and for th'entire parish.  
That's not an easy thing to do; in fact it's rather rarish!

One hundred years of service – wow! That is a lot of years.  
Step up and take a well-earned bow and take in all the cheers.

You've been our staff for decades past; we hope for some years more.  
We're glad you're not on your last gasp and headed out the door!
